Dear Andrew

On behalf of the patients and their families at Sydney Children's Hospital, I would like to sincerely thank you for your kind donation of tickets to seven Sydney Swans 2011 Season Games.

To be fair to all our families that had expressed interest in attending the games, the tickets were distributed by way of a ballot.

I have included in this letter a number of responses from the families that were successful in securing tickets.

"Please let Andrew Gliatis know that we are delighted to receive these tickets and it should be a good night. It's quite a few years since they attended a Swan's game and they really enjoyed it. It also ties in very nicely with their birthday. We are looking forward to it." Joy

"Hi Andrew, I am writing you to say thanks for donating those tickets for the match on 21 August 2011. I will take my family with me, thanks for being a generous person that makes this world a better place." Regards Kathy

"Dear Mr Gliatis, thank you so much for your generosity in donating the AFL tickets to Sydney Children's Hospital. Our family happens to be lucky recipients of some of those tickets. I hope you know your kind act of compassion has put smiles on many kids who are patients of the hospital. We appreciate and value your heart of gold! God bless you." Carrie

"Wow Jenni! Thank you so much and a very big heartfelt thank you to Andrew Gliatis for donating the tickets. Our address is correct. Little Maria is going to have a wonderful time - we can't wait. It's people like Andrew who bring such

happiness and joy to many in need. It's the little things that really make a huge difference. Once again thank you." Cathy and Harry

Your commitment and support of patients and their families at Sydney Children's Hospital is very much appreciated.

Yours sincerely
